

CUHK Physics Alumni Scholarships

CUHK Physics Alumni Association (CUPAA) has setup a “CUHK Physics Alumni Scholarships” aiming to encourage students to take part in extra-curricular activities and contribute to the Department. The Scholarships provide awards to suitable students of Department of Physics, CUHK starting from the academic year 2008-2009.

1. The Scholarships shall be known as “CUHK Physics Alumni Scholarships” and in Chinese as 香港中文大學物理校友獎學金.
2. The value of the award will vary each year depending on the annual donation and decided by board of scholarships. (Maximum amount of money for scholarships is HK\$ 3000).
3. The number of award(s) can vary in each academic year, depending on the number of the suitable student(s).
4. The award is intended for full-time undergraduate student(s) of the Department of Physics on the basis of extra-curricular activities merit. In particular, the award will be offered annually to
 - Student(s) who demonstrate(s) strong commitment to the activities of the department within his/her period of bachelor studies.
5. Each year the scholarships will be open to student for application.
Particulars of candidate(s) should be sent to CUPAA for onward processing.
6. Any valid application should contain a completed application form, a personal statement and a minimum of 5 but not more than 10 names of valid nomination. A valid nomination could be made by any undergraduates, post-graduates and faculty members including employees of the department of physics.
7. Applicants will be requested to have interview(s) conducted by the board of the scholarships.
8. The board of scholarships will be a five-member committee, composed of two to three committee members of CUPAA, one to two faculty member(s) and one to two undergraduate student(s), who will NOT be considered as valid applicants of that year.
