

CUHK Department of Physics Mentorship Programme 2011-2012

Co-organizers:

- Department of Physics, CUHK
- CUHK Physics Alumni Association

What is Mentorship?

Mentorship is a platform for mentee (undergraduate & postgraduate) and mentor (alumni) in communication and personal development. During the programme period, all participants are encouraged to be open-minded, honest and build up friendship.

Objectives:

1. To provide fruitful and meaningful relationships between mentors and mentees.
2. To provide opportunities to broaden personal horizon.
3. To develop personal network.

Programme:

- 1st November 2011 to 31st August 2012 (10 months)
- Certification will be presented to mentors and mentees after completion of the programme.
- Mentor-Mentee should have at least two (2) meetings during the programme period. At least one within 1st November 2011 to 31st March 2012 and at least one within 1st April 2012 to 31st August 2012.
- Mentee is responsible to notify to programme board after every Mentor-Mentee meeting within 10 working days.

Programme Timeline:

Deadline of mentee application	25 th October 2011 (Tuesday)
Mentee-Mentor matching release	31 st October 2011 (Monday)
Programme Start	1 st November 2011 (Tuesday)
Programme End	31 st August 2012 (Friday)

Mentee:

- Full time students in Department of Physics, CUHK, including undergraduates and postgraduates.
- Willing to explore the society and community.

Mentor:

- Alumni of Department of Physics, CUHK.
- With over 5 years working experiences in any industries.
- Willing to take care the fellow students.
