Recruitment of course tutors for “Enrichment Programme for Physics Talent”

*What is it?*
This is to recruit PHY/MSE students to work as course tutors for the captioned programme, which aims at providing motivated and capable sixth formers for learning opportunities so that they are better prepared for advanced study in physics.

*Who are eligible to apply?*
If you are an undergraduate student (Major in PHY or MSE) in the year 2004-2005, you are eligible to apply. We look for motivated tutors who have a solid physics background and can get along well with the sixth formers.

*How about stipends?*
The programme includes 5 modules, each of which consists of lectures and 4 - 6 hours of tutorials or laboratory sessions. Successful applicants will be responsible for holding tutorials or laboratory session and be rewarded a stipend of HK$1,000 per module.

**Schedule**

<tr>
<td>15 Sep 2004</td>
<td>Successful applicants will be informed</td>
</tr>
<tr>
<td>18 Sept 2004 - 28 May 2005</td>
<td>Tutorials or laboratory sessions (1 hour for every Saturday afternoon).</td>
</tr>
</tbody>
</table>

*Participants’ responsibilities*
1. To prepare teaching materials, hold the tutorials and/or laboratory sessions, and mark homework assignments if necessary.
2. To comply with and complete any jobs as assigned by the teachers.

*Application*
Application forms can be downloaded from the Physics Department webpage. The completed form should be returned to Physics Department General Office (SC108).
FAQ
Q: How large is the class size?
A: There will be about 60 secondary school students in each module. The tutor to student ratio is about 1 to 5.

Q: Can a participant choose any particular module to work for?
A: No, you will be assigned randomly.

Q: Will a participant be assigned more than one module?
A: Yes, a successful applicant may be assigned more than one module.

Briefing session
A briefing session will be held on September 8, 2004 (Wednesday) at 12:30 pm in SC LG28.

Recruitment of course tutors for
“Enrichment Programme for Physics Talent”

Application Form

Name: __________________________

Student ID: ______________________

Telephone no.: ______________________   Email: __________________________

Your cumulative GPA
for major and major elective courses: __________________

Signature: __________________________    Date: ___________________________

Note:
1. Please return the completed application form together with copies of all academic result slips in the university to Physics Department General Office (SC108).
2. The deadline of application is 11 September 2004 (Saturday).
3. Successful applicants will be informed by 15 September 2004.
